

VINTAGE HOUSE PRESENTS

Care Calls

Feeling lonely or anxious during the Coronavirus outbreak?

Vintage House invites you to sign up to receive a daily call from a friendly trained volunteer.

Here is how it works:

Vintage House will find out what time of the day works best for you to receive a call, what you love to talk about and what you are interested in and then schedule a community volunteer to call you Monday - Friday. The volunteer will be a cheery voice that you can check in with, will also have some topics to discuss and may be able to connect you to additional services that can be provided to you.

Please contact Vintage House to sign up or to volunteer:

(707) 996-0311 or

Denise.Wilbanks@vintagehouse.org

If you have a family member, neighbor or friend who you think might like a daily call please share this information.

VINTAGE HOUSE
CONNECT. EXPLORE. BELONG.
